

GOV2020 Workshop Registration

Step 1 | Complete your delegate profile

We'll need the following information:

- First and last name
 - Age
- Care Card #
- Contact Information

Workshop registration opens on:
Wednesday, February 12, at 12:00pm

<https://register.gatheringourvoices.ca/login>

Step 2 | Log-in & click 'view schedule' on your delegate profile

Select the '+' button to add workshops to a session block.

A list of workshops available in that session block will appear. You can use CTRL+F to search for a specific workshop within that block.

Once you've selected a workshop, the page will automatically refresh and you'll see the workshop added to your schedule. If the workshop takes place over more than one block, it will appear in each.

Workshop Waitlists - new this year

There will be a note on your schedule to let you know if you've been waitlisted. If you've been waitlisted for a workshop, you can still sign up for another workshop in that time block.

You will be notified if a spot becomes available to you, after which you will have 24 hours to accept the spot before it goes to the next delegate on the waitlist. If you accept the spot, it will automatically replace any other workshop in that time block.

If you are no longer able to attend a workshop you have signed up for, or you'd like to switch workshops, select 'remove' from any block on your schedule and that will open up a spot to anyone who may be on the waitlist.
